

a/an

I. Write **a** or **an** before each word. We only use a or an in singular. We use **a** before a consonant. We use **an** before a vowel. Examples:

a tomato
an orange

1. _____ pencil
2. _____ potato
3. _____ eraser
4. _____ celery
5. _____ onion
6. _____ backpack
7. _____ avocado
8. _____ pencil case
9. _____ apple
10. _____ lettuce

II. Write the plural for each word. Regularly you only add **s** to make the words plural. There are exceptions in plural, for example, when the word end in o or ch, you add **es**. When the word finishes in y you add **ies**. Examples:

Singular	Plural
pencil	pencils
tomato	tomatoes
strawberry	strawberries
peach	peaches
